Academic year	Class	Feedback Response	Action Taken on curriculum response	Action taken by institute
2022-23	B.Pharm	More gpat related or core subject must be included in 8 semester	NA	Guest lecture taken
		Project should be started in 7th sem		
		I want the college to conduct classes for using software tools like excel & power point for better understanding of them so that students can more proficiently use the tools in their academics as well as for personal purposes. I also emphasize on providing knowledge about various statistical tools available and how to use them effectively in academics. Training on how to use these should be particularly reflected upon.
